PRESIDENT SPEAKS ...

It is a Matter of Pride to state that BMSSS has been in the service of the Marginalized in the Archdiocese of Bangalore for over five decades. Although BMSSS started its work as a Charitable Organization distributing Food Materials from CRS, it gradually grew into a Development Organization helping people, especially Women, Dropouts, Differently abled, Widows etc., to stand on their own feet. I cannot forget the fact that many donor agencies has played its role in making BMSSS grow from Charity to Development.

The year 2020 should be known as a year when everyone was obliged to fight against Corona Virus- the killer virus. It took away many lives in India and all over the world. The city of Bangalore was not spared either. The Government declared lockdown to avoid spreading of Corona Virus. BMSSS had to get into action as it started five decades ago. Food distribution to the people affected by lockdown in the city of Bangalore had to be started. Although BMSSS started its work of charity with the support of CRS, it now has the support of people in the city itself to supply food materials for those affected by lockdown by the Government.

I am very much grateful to the Government departments and all funding agencies in financially supporting BMSSS for its work in rural and urban areas. Special thanks to all Parish Priests and BMSSS staffs who extended their support to BMSSS for its developmental works.

Yours in Christ

A handwritten signature in blue ink, appearing to read 'Peter Machado', with a cross symbol at the beginning.

+ Most Rev Peter Machado
Archbishop of Bangalore &
President of BMSSS

DIRECTOR'S DESK...

The fruit of service is Peace'. The quote of mother Theresa has much to tell to all who are involved in serving the humanity. She was down to earth to serve the least and lost people and gave a message to the whole world that they are special in the eyes of God. BMSSS- Bangalore Archdiocesan wing for charity and development was privileged enough to render its service to the suffering humanity during the times of calamities and pandemic situation. It was a time of reach out to the lost ones. Kodagu in Karnataka and many districts in Kerala were affected by floods due to heavy rains in 2018. Many districts in Karnataka were also had to face the flood tragedy in 2019. Lockdown by the government to avoid infection by the new Corona Virus was another calamity in 2020. These three calamities within a short period of time gave opportunities to most of the organization to express its solidarity with the people in distress.

'The best way to find yourself is to lose yourself in the service of others'. – Mahatma Gandhi. The quote of Mahatma Gandhi was instrumental in carrying out the charitable activities of BMSSS whole heartedly during these difficult times. Jesus our master has taught us the real meaning of service in the parable of master and servant. "Be ready, dressed for service, and keep your lamps lit like people waiting for their master to return from the wedding" Lk12:35. I could see many religious organizations and catholic households responded to this havoc situation with great generosity, share and service. They shared what they possessed in various forms to help the suffering people. Personal visits to the place of the affected area gave hope to most of the victims and they found real consolation. With the help of the generous people who wanted to share with the needy, BMSSS was able to build houses for those who lost them during floods and were provided with groceries for their living.

"Whatsoever you do to the least of my brothers, you do unto me"- these words of Jesus were clarion call to BMSSS for charitable action for the people in suffering either because of heavy rains and landslides or lockdown due to fast spreading Corona Virus. Although calamities were opportunities for BMSSS to stand by the people in distress, the regular programs of the organization especially women empowerment, small business development for women, counselling for the teenage students with suicidal tendencies, Community Based Rehabilitation [CBR] for the disabled and campaign against cancer were other opportunities to reach out to them in depth with varied strategies.

The real heart of care and share through service was expressed and exhibited in these difficult times. In fact, it was possible though selfless service of many people. I take this opportunity to thank all the generous donors who extended support in time of need and gratefully remember the dedicated service of our staffs and volunteers during this needy situation. I am happy to witness that through share, care and by selfless service we found million smiles among people.

A handwritten signature in blue ink that reads "Joseph Naveen". The signature is written in a cursive, flowing style.

Profile of the Organisation

BMSSS is the social concern and development wing of the Catholic Archdiocese of Bangalore. Established in the year 1969 and registered under Karnataka Societies Registration Act 1960 (Reg. No. 117/69-70). BMSSS is a secular, non-governmental, not-for-profit organization for the uplift of the marginalized Women, Children, Youth, Farmers, the Sick and the Suffering. The organization works especially for the development of Dalits and Minorities. BMSSS is registered under 12A and 80G under income tax department. It is also registered with NITI AYOOG and Ministry of Home Affairs of the Government of India.

OPERATIONAL AREA

Geographical area of Catholic Archdiocese of Bangalore is the operational area of BMSSS. The Archdiocese of Bangalore has jurisdiction over the districts of Bangalore Urban, Bangalore Rural, Tumkur, Kolar, Ramanagara, and Chikballapur in Karnataka state.

VISION & MISSION

Vision: A society of Justice, Peace and Love

Mission: To Progress by Empowering the Poor and the Marginalized to Ensure their Human Dignity

OBJECTIVES

- Help the integral development of people irrespective of race, caste, community or creed
- Educate communities to improve health and sanitation to prevent communicable diseases
- Perform works of charity for those in need
- Improve maternal health and reduce child mortality
- Restore the right to education of marginalized children
- Encourage and guide the disadvantaged youth to take up alternative livelihoods
- Promote value based leaders among youth and develop their confidence and aptitudes
- Promote gender equality
- Empower women and develop entrepreneurship among them
- Ensure environmental sustainability

DEVELOPMENT APPROACH

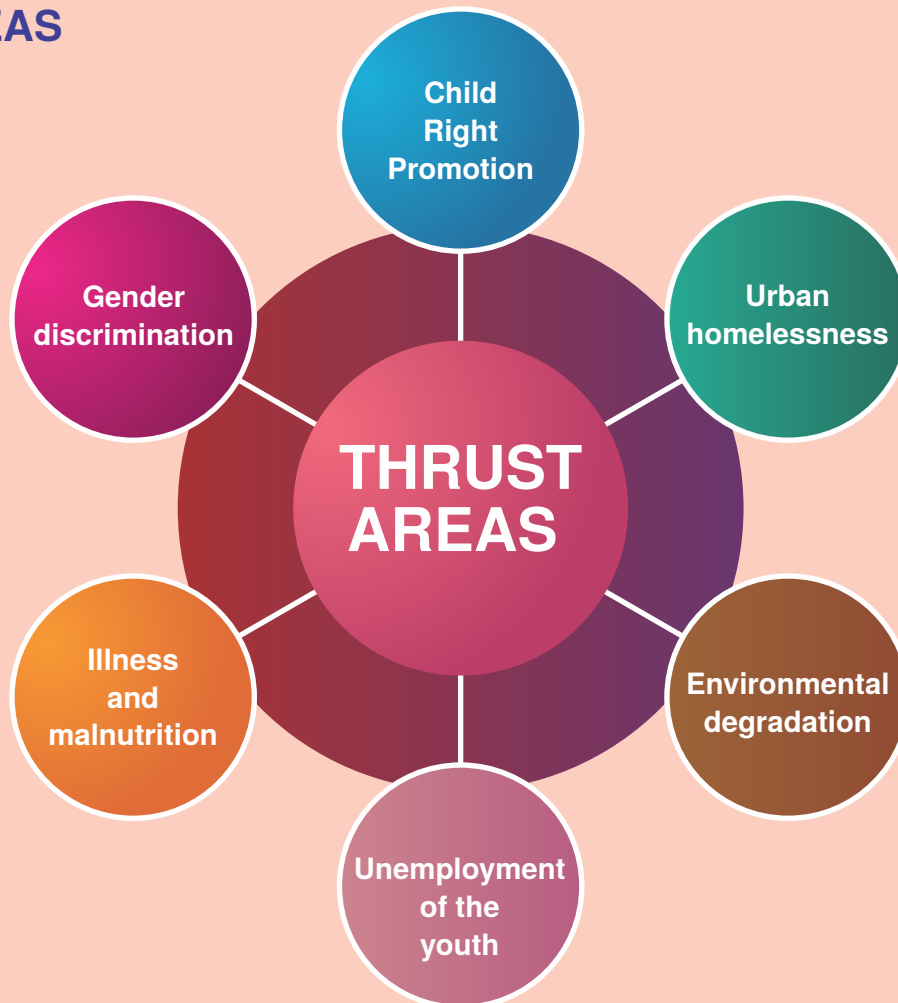

“The purpose of human life is to serve, to show compassion and the will to help others”, said Albert Schweitzer-the writer, theologian and Nobel Peace prize winner in 1952.

With the support of Catholic Relief Services (CRS) of the United States of America (USA), Food distribution program was one of the major charitable activities of BMSSS in the first two decades of its existence. The program covered all the remote and undeveloped areas of the Archdiocese of Bangalore.

BMSSS started functioning with charitable activities. The approach of the organization shifted from charity to integrated development with a priority for women empowerment. From the year 2005 onwards, BMSSS began to focus on networking with other NGOs and partnering with donors in implementing various development programs with emphasis on Rights Based Approach (RBA) in all programs and activities.

THRUST AREAS

Housing For The Marginalized

Location: Kolar Gold Fields [KGF] in Kolar district
Supported by Catholic Bishops' Conference of Italy (CEI)

Kolar Gold Fields [KGF] – a centrally owned gold mine was closed in 2003 and many of its workers became jobless with no proper income for their families. Closing of the mines affected the ordinary workers in a severe way. They were compelled to leave their families in utter poverty. They were given Government quarters as residences which they found difficult to maintain with no source of income. As a result, the houses got dilapidated and were in need of urgent renovation of roof, floors and walls of the houses.

In 2019, Catholic Bishops' Conference of Italy decided to support the house renovation. The project of house renovation was expected to be implemented in two years. Kolar Gold Fields (KGF) was the needy location for housing renovation as it was an area with many marginalized families with very low income. The parish priests of KGF & BMSSS Staff identified the needy households for house renovation and submitted the list to BMSSS. After processing the applications and identifying the low-income households for house renovation work, an efficient local contractor was identified and given the task of renovating the houses. The contractor for house renovation work had many challenges on his way of executing the job. However, the work yielded fruit in completing House renovation work of 20 Beneficiaries.

Trainings at Glance

Blessing of the Renovated Houses

Blessing of the Renovated houses at KGF was done by Most Rev. Peter Machado, the Archbishop of Bengaluru on 25th February, 2020 at Our Lady of Victories church, KGF. Deanery Fathers, Sisters and Housing beneficiaries were present for the program. Small mementos were given to 20 beneficiaries to whom houses were built. Archbishop blessed the gathering and thanked everyone for their presence. The House renovation work is one of the big projects undertaken by BMSSS in this year.

Thank you for your Support

Women Empowerment

Location: Mulbagal and Srinivasapura taluks in Kolar district of Karnataka state
Supported by Misereor, Germany

Some years ago, the women empowerment project was started in collaboration with KROSS (Karnataka Regional Organization for Social Service) and Misereor, Germany. It aimed at improving the economic status of rural women in Kolar district of Karnataka. The current phase of the women empowerment program continued to focus on empowering the marginalized rural women who were victims of marginalization in their own community.

Baseline Information

SI. No	Particulars	Mulbagal	Srinivasapura	Total
01	Wards	26	22	48
02	Villages	39	39	78

04	Hoblis	03	02	05
05	Taluks	01	01	02
06	Districts	00	00	01

The Project was instrumental in identifying some leaders among women. The identified leaders were motivated by the Project animators to participate in the local elections. The women in the identified villages got trainings and were able to access the Government Schemes during the year. They were trained to understand the potentialities of women and also to access Government Schemes both from Central Government various Departments of the State Government and from Gram Panchayaths. The State Government Departments include Women & Child, health, labor, agriculture, sericulture, and horticulture.

Location: Districts of Bangalore Archdiocese
Supported by Kolping India, Chennai

In collaboration with Kolping India, the project was started previously to form Self-Help Groups (SHGs) of women in all parts of the Archdiocese of Bangalore. Initially, the project was implemented to improve both the spiritual and economic conditions of members of women SHGs. The objective of the project was to enhance capacity of women through activities as members of SHGs throughout the Archdiocese of Bangalore. The project was implemented in 58 Villages with 1510 households. 1469 beneficiaries of the project consisted of Christians, Muslims and Hindus. They were able to access 21 Govt. schemes after training.

Success Story

1. Mrs. Prema of Star Kolping SHG received IGP loan of Rs.10,000 for the petty shop. The shop is located in the residential area of KGF. At present she is earning Rs.150 to 200 per day. The income is very useful for the family maintenance and medical expenditure. This income has supported her to stop the practice of borrowing loans from outside.

THANK YOU

Your pivotal role to Bangalore Kolping Region will be remembered

Rev. Fr. Anthony Raj
National Director, Kolping India

Location: Schools & Colleges in Bangalore Archdiocese Supported by Kindermissionswerk, Germany

SAMALOCHANE project was implemented in collaboration with Archdiocesan Board of Education (ABE). The project was executed by visiting schools by our project staff. They used instruction modules in consultation with National Institute for Mental Health & Neuro-surgery (NIMHANS). They took classes for students on discipline, time management, awareness on suicide prevention, relationship, effective communication, stress management, adolescent period, anxiety disorder, substance abuse, personality development, problem solving, decision making and peer pressure. Other features of the project included motivational classes for teenagers, Counselling for parents, personal counselling of some students, essay & drawing competitions for children and system establishment. 2800 students attended 54 motivational classes during the year. 2100 parents were counselled on handling properly parent-child relationship in consultation with professional counsellors from NIMHANS and SAMPURNA.

The main objective of all activities of the project was '**Suicide Prevention among Teenage Students**'.

Activities Conducted

1. Orientation for Project Staff
2. Committee meeting on project implementation
3. Residential Training for Project staff
4. Preparation of Modules
5. Visit to schools and colleges for basic information
6. Sessions on mental health for students
7. Motivational talks for students
8. Sessions on parental counselling to parents
9. Sessions on counselling skills for Teachers
10. Quiz and essay competitions for students
11. Counselling for students and parents
12. Review meetings

Results

- 3834 students have undergone 376 sessions on Mental Health and its impact
- Students from 30 Schools have good knowledge on Mental Health Education

• 18 Schools have expressed the need of regular Counselling

Location: Kolar Gold Fields [KGF] in Kolar district
Supported by Caritas India, New Delhi

Suraksha' project from Caritas India focused on health improvement in KGF of Kolar district. It included identification and registration of volunteers for the project; trainings on drainage management; awareness on health; environment pollution; safe drinking water; and networking. This was indeed a motivating activity which made many volunteers to be part of Health improvement movement. The common issues such as open defecation, poor health, addiction etc was taken into task much more seriously and made the community more responsible and health friendly by organizing different activities.

The project was implemented based on the following objectives.

- Reduce life style diseases
- Improve health status
- Enhance quality of life

Case Study

Volunteers, Panchayath member, head master and SHG members took up the issue of drainage which was causing problem to the local people and school going Students. The draining was flooded during rainy season and causing havoc in the surrounding area. The problem was discussed in the Municipal office and with regular follow up draining repair work was approved. The drainage with solid concrete is built now and made safe for public to walk without any problem in the future. The initiative is taken by the Suraksha Team and was supported by the volunteers. The photo reflects the work undertaken at B and D Block, Anderson Pet, KGF, Kolar District.

Community Based Rehabilitation (CBR)

Location: Mulbagal taluk in Kolar district
Supported by MISEREOR through CBR Foundation, Bangalore

The project 'Community Based Rehabilitation' Supported by MISEREOR through CBR Foundation, aimed at the inclusive development of persons with disabilities. Thus, we reach out to such persons to improve their quality of life and enable them to be self-confident and to find a meaningful living in the society. We carry out these activities in 48 Villages under 4 Panchayaths of Mulbagal Taluk of Kolar district, Bangalore, Karnataka.

Success story

Disability does not stop you from living a happy life

Miss. Vijayakumari, is 22 years old, the eldest daughter among 3 daughters of Rama Reddy and Eshwaramma, residing in Kolar district, Mulbagal taluk, Rajendrahalli Panchayath, Byaadrahalli village. Daily wages are the financial support for their living. She dropped out from school and decided to open a small provision store in her village for her livelihood. She opened a provision store on 25-09-18 and was earning the amount equal to the daily wages of her parents. She became a backbone of her family. Miss. Vijayakumari was attacked by polio and both her legs affected. She completed her S.S.L.C and wanted to continue her studies for which she had to travel every day from her village to Mulbagal town. This was very difficult for her. The Pension was stopped abruptly. The CBR project, B.M.S.S.S staff Mrs. Nagamani and Mr. Gopi guided and informed her about the CBR project and helped her to make U.D.I.D card. Mrs. Nagamani also facilitated her to get pension regularly which was stopped due to some reasons. Now due to the continued support and guidance from CBR team she initiated a V.D.P.O with 10 members and she is the secretary of the group. She is now leading an independent life and supports her family. Vijayakumari is living a respectful life in the society and became an inspiring role-model for other physically challenged people.

Cancer Campaign

A project to raise Awareness, Early Detection, Treatment and Prevention of Cancer

Location: Bangalore Archdiocese
Supported by Caritas India, New Delhi

The campaign with funding support from Caritas India is planned for 18 months starting from November 2019. The campaign initiative specially aims at promoting local volunteers to take forward remedial action against the spread of cancer and also mobilize resources locally from the general public, church institutions and other donors who share the same commitment to deal with cancer and treat people who suffer from cancer. The purpose of the campaign is not only to prevent cancer and care for cancer patients but also build a health based social capital in the Archdiocese. It is hoped to become a social action movement which is expected to percolate into all parishioners and members of all institutions in the Archdiocese.

Supported by Manos Unidas, Spain

Entrepreneurship Development Training and Revolving Fund are the two main components of the project. After the training, the trained women are facilitated to access bank loans for starting entrepreneurship. It often happens that women are inclined to abandon their small businesses as soon as they complete the repayment of bank loans. Hence the priority is to adequately prepare the rural women to manage and stabilize their entrepreneurial activities. BMSSS aims at utilizing the revolving fund from Manos Unidas to strengthen the individual as well as the group entrepreneurial activities to improve the capacity of women to earn a better income for their families. As we realize that development process is time consuming, we intend to use the revolving fund component of the project to sustain the entrepreneurial activities of the economically backward semi-literate rural women.

Trainings Organized at Field level

Houses for Flood Victims at Verapoly Diocese

It was the need of the hour to show our empathy towards people affected by great flood. Bangalore Archbishops appeal knocked the hearts of many people to be generous for this noble cause. The funds collected in BMSSS Disaster Relief Fund was very much useful in supporting the flood victims. Timely support in Building 10 houses for flood victims at Verapoly Diocese has at last yielded fruit. We could see smiles on the faces of all the beneficiaries during the time of House inauguration.
