Madiwala Street Vendor Survey - Needs Assessment

BMSSS conducted a Street Vendor Survey at Madiwala on 16th December. The organization conducted this survey to assist the vendors with their needs. It is noticeable to the public eye that the vendors go through a lot of on-site difficulties. The weather at Bangalore has been unforgiving lately, the vendors are no exception to this harsh weather. BMSSS has come forward to understand, analyse and address their needs through working on welfare projects for street vendors.

Counseling at School

Counselling sessions provided by the members of Sharing and Caring Centre at Government school, not only serve as a help to students who go through hardships, but also helps the budding generation of the society. When this opportunity is provided to the underprivileged, it becomes an unexpectedly great help in their lives. BMSSS is bringing lights into the lives of these kids by providing them with counselling support.

Teaching and Volunteering at schools

BMSSS volunteers have been teaching at schools thrice a week. Our volunteers engaged the children by teaching mathematics and basic English. The interaction with the volunteers impacted the children in developing their social skills. This motivates them to learn about new and exciting topics everyday. This would assist the process of enhancement in their learning.

Creative Art and Craft Activity Class

BMSSS has shared its New year greetings with the school students, their volunteers worked with. The volunteers taught them to make creative greeting cards and kept them entertained by playing fun-filled games. All the students have enthusiastically participated in this activity and explored their creative sides.

Highlights

- On the occasion of world disability day, BMSSS felicitated the distribution of three wheel chairs to the underprivileged people with disabilities.
- BMSSS project - monthly dialysis support to 85 chronic kidney disease patients was successful in the month of December.
- Medical supply support was provided to 15 cancer patients.

Mental Health Awareness Program - Counseling Centre - Sharing and Caring Centre

On 16th November, 2022 BMSSS inaugurated Sharing and Caring center, a Counseling center for providing mental health support. The event took place at Government Urdu Primary School, Ashok Nagar, Bangalore.

Disability kit - survey and beneficiary selection

A survey was conducted by BMSSS to figure out the support needed by the differently abled persons. Since most of them live in suffering without being able to manage their everyday livelihood. A detailed study was conducted to assess their immediate needs, so that BMSSS can give out the disability kit to the needful.

Distribution of Ration kit

BMSSS distributed ration kit to 1200 people of the rural community from 15th December to 24th December, 2022. This ration kit will reduce the burden of the family and lessen the chances of hunger in the communities.

Winter Kit to the Children of Kole Basava Community

The winter kit was offered to the children of Kole Basava Community living in the slums of Rayasandra, Bangalore on 22nd December. This kit consisted of warm jacket, toys and cakes. This led the underprivileged kids feel the joy of having a toy for the first time and jackets to keep them warm from harsh cold temperatures of Bangalore.

BMSSS Team Christmas Celebration - 23rd in Paalana Bhavana - Thanks and gratitude

A fun filled thanksgiving Christmas was celebrated by BMSSS Team on 23rd of December at Paalana Bhavana. The team worked hard to its fullest through out the year and this celebration was to appreciate and show gratitude to each other.
